APPLY IN PERSON: 15800 SW Boones Ferry Road, Suite B-3
Lake Oswego, OR 97035
503-675-0548
Website: www.areaonejatc.com

OPENING TIME: **10 AM-4PM Monday-Thursday (Closed Fridays)**

OPENING DATES: **May 9- May 24, 2011 & June 6 – July 20, 2011**

GEOGRAPHICAL AREA: Multnomah, Washington, Clackamas, Columbia and northern half of Yamhill counties in Oregon

NOTE: Application must be completed on site.
At the time of application, the applicant must furnish a copy of a Diploma/GED certificate.
Supporting documentation to receive higher ranking (see reverse) must be submitted no later than July 20, 2011.

RANKED SELECTION: Applications of individuals who meet the minimum qualifications will be scored and ranked based on documentation submitted by the applicant.

Employers may require employees to: To take a substance abuse test, demonstrate the ability to lift 50-100 pounds and have a valid driver's license.

WORK PROCESSES: A minimum of 7,700 (4 years) of on-the-job training is required for completion of apprenticeship:

	On-the-job Training Hours
1. Sewerage: sanitary and storm piping, disposal	750
2. Drainage, waste and vent piping DWV	2,400
3. Soldering, brazing, welding	500
4. Water: supply, services, mains, appurtenances	2,200
5. Fixtures, appliances, trim and supports	1,350
6. Gas piping, equipment, appliances	100
7. Miscellaneous plumbing and piping	400
TOTAL Hours	7,700

WAGES: The average journeyman plumber wage for the committee is \$26.44 per hour effective February 1, 2011. A beginning apprentice earns 40% which is \$10.58 per hour. Wages will be reviewed February 1, 2012. Wages increase as the apprentice gains on-the-job-hours and classroom training.

PLEASE POST IN A CONSPICUOUS AREA

*Women and minority candidates are encouraged to apply.
Veterans with GI benefits may use them in this program.*

Job Description

Plumbers assemble, install and repair pipes, fittings, medical gas systems and fixtures of heating, water and drainage systems, such as sinks, commodes, bathtubs, water heaters, hot water tanks, garbage disposal units, dishwashers and water according to specifications and plumbing codes. They locate and mark the position of pipe, pipe connections and passage holes for pipes in walls and floors using ruler, spirit level and plumb bob. They cut openings in walls and floors to accommodate pipe and pipe fittings, using hand tools and a threading machine. Plumbers also bend pipe using a pipe-bending machine or by placing pipe over a block and bending it by hand, assemble and install valves, pipe fittings and pipes composed of various metals or glass, vitrified clay, and plastic, and use hand tools and power tools. Plumbers may weld holding fixtures to structures.

Artist is Keith Ward

Working Conditions

The work is done indoors and outdoors, in existing and newly constructed buildings, in all kinds of weather, and around noise, dirt and mud. Plumbers often work in cramped areas and in awkward positions.

Wages

Beginning apprentices start at 40 percent of the journey-level wage. Upon successful completion of required class work and on-the-job hours, wages increase usually every six months, until the journey-level rate is achieved.

Length of Apprenticeship

This apprenticeship lasts four years. Apprentices must complete a minimum of 144 hours per year of related training and at least 7,700 hours of on-the-job training. Journey worker plumbers are required to hold a license. Upon completion of the program, apprentices are referred to the Oregon Building Codes Division for the licensing exam.

RANKING SYSTEM POINTS

Applicants will be placed in descending order in the RANKED POOL OF ELIGIBLES based on the numeric score they accrue based on the point evaluation system below. Points will not be given unless the applicant provides supporting documentation required (official transcripts, completion of service, honorable discharge, documents detailing experience etc.).
